

ARMENIA

History of Partnership

HDP established a partnership with the National Assembly of Armenia in 2020. HDP engagement with the National Assembly has included a focus on strengthening legislative oversight mechanisms, constituent communications and casework, and enhancing gender representation in the legislature. Though a formal partnership was established in 2020, HDP has engaged with MPs and staff of the National Assembly of Armenia since 2019 through inbound and regional exchanges.
